The Functional Art is an introduction to Information Graphics and Visualization, the communication of facts and data by means of charts, graphs, maps, and diagrams. It includes a DVD including 90 minutes of video lectures.

The Functional Art: An Introduction to Information

"The Functional Art" is a revised version of an earlier book in Spanish. Even though the subtitle says "An introduction to information graphics and visualization", this is hardly a read for beginners. Rather, I'd recommend it to everyone who seeks a deeper understanding of what they are actually dealing with when producing visual communication.
